2026 Angel Tree

Sponsorship Opportunities

FOSTERLOVEPROJECT

Help us relieve holiday strain on caregivers and bring joy directly to youth who are impacted by foster care or kinship care and adoption. A full wish package is valued at $250 per child (with each gift valued at $50), providing personalized gifts and holiday joy tailored just for them. Partner with us this season by making a financial gift or pledging to fulfill complete wish lists. All sponsorships include a digital toolkit and 2026 impact report inclusion.
