

FLP BAG DRIVE

NOVEMBER 11 - DECEMBER 13,
2025

Each year, more than 15,000 kids are served through the foster care system in Pennsylvania alone. Many of these kids are taken to a foster home with no belongings or a few items thrown into a trash bag.

Foster Love Project provides a bag of goods to be given to kids at the time of transition. We believe in giving them a good quality bag with new belongings to convey that neither they nor their belongings are disposable.

Join the Foster Love Project Bag Drive and pack a bag of new belongings for a child in transition during this holiday season.
